President's Message

CRLC Members—

Fall is here! It's that time of year where leaves start turning colors (well, not necessarily here in Houston), the weather is cooler (again, maybe just a little cooler in Houston), and of course, you can start buying pumpkin spice drinks! It's a favorite time of year!

If you didn't make our September General Membership Meeting, you missed a fun event. Our program for this month was Music Bingo. We were groovin' and movin' as we sang along with the music and of course, marking our cards with the name of the song. And a few ladies went home "lucky winners" of the music bingo.

October will find us having our annual Halloween event on Tuesday, October 1 at Adriatic Café. So if you haven't already done so, please sign up to attend. And feel free to wear a costume. Prizes will be awarded for most original, funniest, and scariest. Come early to take advantage of the Happy Hour prices. The Club will once again sell drink tickets for the House Wine (just \$4 per drink) and we also have a new process for placing your order which we think will help everyone out, including the restaurant. Look on page 12 for details.

We are only about 2 months away from our Annual Charity Fundraising Luncheon. Sub Club Leaders are currently collecting items for their Sub Club baskets for the Silent Auction. So think about donating to one or two of the Sub Clubs you participate in. Each Sub Club Leader has been listing details in the monthly evites of the items they are collecting. Funds raised from the Silent Auction plus from drawings will be donated to our chosen Charity for the year. This year, it will be Christ Clinic. Look for additional details on Christ Clinic in this newsletter.

Until next month,

Gill

More Evening Sub Clubs???

We know we have lots of members who work during the day and aren't able to attend the daytime sub clubs. Some members have expressed perhaps we have more evening Sub Clubs. But to do this, we would need Sub Club Leaders to head them up.

Right now, an **Evening Movie Sub Club** has been mentioned. If this is something that you would be interested in, please contact Sue Currie @ sue.currie@att.net. And if you would like to head it up, please also let Sue know.

Also, if you have other ideas for an Evening Sub Club, please contact Sue.

EVITES COMING SOON!

Make sure to check your email for upcoming evites for sub club events. Don't miss out on an event. Always check in your "Spam" or "Junk" folders as evites sometimes go there. Check out the evite, respond "Yes" or "No" on your attendance.

Please respond promptly so sub club leaders will have an idea on the number of attendees. And always remember, if your plans change and you aren't able to attend, please change your response in the evite.

A word from Membership Director, Jeana Dorow

We had a fantastic turnout at the CRLC general membership meeting for Music Bingo. Thanks to everyone who came out and enjoyed the evening, connecting with friends and belting out some of music's best old and new tunes. There may have even been some dancing in the aisles.....

As we continue exploring and meeting new friends, I am thrilled to report that we have 149 members, 34 of whom are new to our group. Be sure to introduce yourselves at our next general meeting on Tuesday, October 1st!

All paid members should receive their monthly EVITE for activities; if not, please contact the sub-club leader to confirm you are on their list. Also, if you find yourself overcommitted, please ask to be removed from the sub-club list, as we have some clubs with over 70+ members.

Please check out our monthly newsletter if you need to know what's happening this month. It has everything you need to know about CRLC. You can look for it in your email or at CincoRanchLadiesClub.org/news.

I am very excited and encouraged by our continued growth and want to thank each of you for sharing the membership opportunities with others. Without you, we would not be the great club we are. Please continue to share what a fantastic group of women CRLC is and how someone can become a part of this great organization.

I am looking forward to a great year of growth and friendship.

Happy Fall, y'all!

Jeana

October Bonus Event

Our Bonus Trip on Wednesday, September 25, 2024, took 12 of us to the National Funeral Museum in North Houston, followed by a delicious lunch at Pappa's Seafood. As usual for our Bonus trips, we took the Precinct 4 bus driven by our wonderful driver, Karen.

The Museum, which encompasses over 35,000 sq. ft., was beautiful and very informative. We learned so much from our knowledgeable Docent, Karen, about Presidential funerals and the procedures leading up to them. Did you know that on the date any President is sworn in, a 500-600 page binder is started with the President's funeral requests, the procedures needed, guests to be invited, the type of coffin the President wants, food to be served at the reception following the service, and so much more.

We learned about cremation, saw beautiful urns from all around the world; the embalming process (President Lincoln was the first President to be embalmed); all of the Presidential assignments and how they were handled; the Presidential trains used (Lincoln was also the first to taken on a train in his coffin to his burial site); we saw many beautiful and detailed coffins, one of which was built for a family of three, but was never used. After touring the Museum, we all shopped at the Museum Gift Shop.

You could spend all day at the Museum and still may not see everything! If you have not been to the Museum yet, we highly recommend it!!!

Christ Clinic

Funds raised from our December 6, 2024 Fundraising Luncheon will be donated to Christ Clinic. Here is a little about Christ Clinic.

Christ Clinic is a local 501(c)3 non-profit clinic that can provide the uninsured, underinsured and their families with access to primary care and mental health counseling that they wouldn't otherwise be able to access and/or afford.

Christ Clinic began in 2000 as an outreach ministry in Memorial Lutheran Church in Katy and provided care for around 5,000 patients in 2022.

The majority of Christ Clinics patients face complex barriers to health, including comorbidity, and mental and behavioral health issues. Additionally, patients with more complex diagnoses receive case management services which helped to improve their health literacy and understanding of their care plans.

Christ Clinic promise is to provide compassionate, high-quality healthcare services to all members of the community, regardless of their beliefs or background. They are dedicated to serving neighbors in need and strive to be a source of hope and healing for all who come through their doors.

They also promise to be good stewards of the resources entrusted to them, and to use them wisely and efficiently to benefit the greatest number of people. They are committed to transparency and accountability in all that they do, and to being a reliable partner in the well-being of our community.

News from the Gardening Sub Club-

Hello gardening friends! Let's do a quick recap of this month's garden club. We started with a meet and greet and had fun catching up with friends old and new. Then we met in the sunroom and listened to the sounds played by the ornamental ginger plant. Here is a link to more information about this plant. <https://www.thespruce.com/flowering-ginger-plants-1315760>

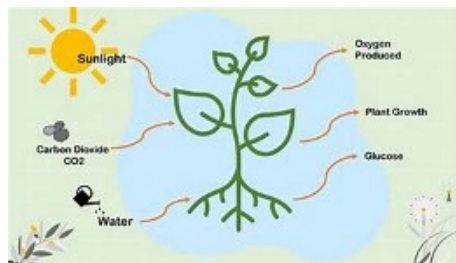

The device we used is called a plantwave. <https://plantwave.com/>

This device converts electrical conductivity of plants into music. It reads the micro fluctuations in plants which are similar to a polygraph machine used on humans. Yes, plants do communicate! There are 2 books I recommend if you want to go deep diving into the subject. There are many others too.

The Revolutionary Genius of Plants, by Stephano Mancuso <https://a.co/d/5C81UZL>

and Plant Spirit Healing, by Pam Montgomery <https://a.co/d/4qnTZk1>

The program that was given was on paper towel gardening and how to place and set up your garden. Focused on vegetables but the same applied for annuals and perennials. The first step was tracking the sun, either by watching the sun for a day and noting where the shadows are in your yard or using the free app called SunCalc. That app lets you plug in your address and see where, when, and how much sun your yard gets. We discussed the amount of sunlight plants really need to photosynthesis enough sugar.

Then we learned a little about square foot gardening and an easy way to plan out our gardens using seeds or transplants. For example, if you are growing carrots, they need to be placed up front in your garden so that other plants do not shade them by blocking out the sun. We fold the paper towel into 16 squares and use nontoxic school glue to glue at least 2 or 3 seeds down in the middle of each square. When we are ready to plant, we place the paper towel with our seeds on it on top of the soil and water it's in. Then poke or cover with solid to the required seed depth. If you are using transplants you cut X's in the paper towel, place, wet, and plant.

We learned how to read a seed packet. We found how much sun, depth of seed, planting Zone (we are zone 9), water requirements, and harvest time. Harvesting on time gives you better juicier veggies.

Afterwards we did a garden tour and discussed herbs and how to harvest them.

Questions that were asked:

1. What can we grow now? Acorn squash, Artichokes, Arugula, asparagus, banana peppers, beans, basil, beets, bell peppers, bok choy, broccoli, cabbage, brussel sprouts, carrots, cauliflower, catnip, calendula, celery, chamomile, chickpeas, chives, cilantro, corn, cucumbers, dill, eggplant, garlic, ginger, fennel, kale, lettuce, mint, peas, potatoes, pumpkins, spinach, zucchini, tomatoes, turnips, zinnia, watermelon

2. How do you get your poinsettia to turn red?

The luncheon Host was Pam McDuffie and Co-Hosts were Lisa Caughorn, Jill Coble, Beverly Crawford, Renita Hudson, and Cynde Renteria. Attendees enjoyed a delicious Italian meal, dessert and ended with a refreshing Limoncello Spritzer. Creative Kitchen members were given an overview about infused oils, had fun playing the "pasta shapes" game, and guessing "How many Perle' di Sole are in the glass"? We are looking forward to our next luncheon on October 10th with the theme "The Tastes of Fall".

Cinco Ranch Ladies Club

The Cinco Ranch Ladies Club (CRLC) was established in 1992 to provide residents with activities, both social and charitable. We designate several charities each year as recipients for our fundraising events. We meet once month, as an entire club in a general meeting. Our numerous sub-clubs meet at least once a month on a small scale and appeal to all different interests.

Katy is rapidly expanding, and we welcome those in all the surrounding areas and neighborhoods of Katy, Fulshear, and Richmond-not just residents of Cinco Ranch!
